**After donating to 115 people at Thanksgiving, the Sidney Food Cupboard is running bare and needs your help to restock it with *any* non-perishable foods.**

**The VVT is also collecting toys and clothing for needy children for the Second Baptist Church.** The items they asked Santa for are listed in the newsletter and on the colorful gift tags hanging in the office next to the popcorn maker. If you want to buy something, please take a tag and tape it to your gift. Wrapping not required.

**Your donations helped many people have a Happy Thanksgiving.** Please give once more to help the poor adults and children of Sidney have a Merry Christmas. Thank you!

**P.S. GIVING MAKES YOU LOOK GOOD AND FEEL GOOD.**
